

## HOLIDAY TOUR 2009

Dear Tonic Sol-fa fan,

That time of year is upon us again - the time when we announce our upcoming holiday tour and share our excitement with friends and fans alike!

Since our inception, we have focused on keeping Tonic Sol-fa's ticket prices affordable; in fact, we're typically the least-expensive ticket of the holiday season. This year is no different. It is our intention to offer an upscale show at a modest price without cutting any of the quality you've come to expect from Tonic Sol-fa. With added cities, novel new songs, a fantastically contemporary production, and certain audience favorites, this year promises to be our finest.

The new CD, "Just One Of Those Days," is here! The album is available everywhere online for purchase and/or download (TonicSolfa.com, iTunes, Amazon, CDBaby, Napster, Rhapsody, etc.). For those of you who already own the album and have been requesting the songs in our show, we hope to honor your wishes by including some of the tunes in this year's production!

We also are launching a brand-new PBS television program, "If I Can Dream." The non-holiday special begins airing in October. (Check your local listings for times and stations.) You'll want to add this new Tonic Sol-fa DVD to your video library!

The holiday tour is again sponsored by our friends at Blue Bunny Ice Cream. We're happy to work with such a reputable (and need we say tasty) product in 2009.

In addition to our esteemed sponsor, we'll be collaborating with the American Heart Association to promote Go Red for Women ([www.goredforwomen.org](http://www.goredforwomen.org)). Take action with TSF to wipe out heart disease and stroke, the number one killer of women in America.

Be sure to follow us on Twitter ([twitter.com/tonicsol](http://twitter.com/tonicsol)) and Facebook ([facebook.com/tonicsolfa](http://facebook.com/tonicsolfa)) to receive updated information, share your thoughts, and keep abreast of all of our adventures. Hope to see each of you at one of the holiday shows listed inside!
